

Securing Our Future

A home for music education in the Upper Valley

Pledge Form

The Upper Valley Music Center is currently engaged in a fund raising campaign to secure a new home for our program. We have an opportunity to purchase the property at 8 South Park Street in Lebanon. It will provide additional space to better serve our entire constituency as well as a safe off-street parking and drop off area.

Time is of the essence! In order to secure this wonderful property we need to raise a minimum of \$211,000 before the end of February. Additional fund raising to cover the entire \$940,000 cost of relocating will continue until we have retired the debt we will assume to complete the purchase.
